

# Heritage Foundation – Blog

Heritage Foundation asked JESS3 to concept, design, code and maintain [blog.heritage.org](http://blog.heritage.org)

We used a variety of open source platforms, wordpress, flickr, etc

**Client:** Heritage Foundation

**Agency:** JESS3

**Budget:** 25k

**Date of Campaign:** 2007

**Case Study URL:** <http://www.blog.heritage.org>
